2.1.1 To charge reasonable admission and other fees for the use of any recreational facility located in the Common Area.

2.1.2 To suspend the voting rights and right to use of the recreational facilities in the Common Area for any period during which any assessment against an Owner's Lot remains unpaid, or an Owner is in violation of the Covenants, the Articles, the Bylaws, or any published rule of the Association.

2.1.3 To dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Association's members. ## **Section 3. MEMBERSHIP AND VOTING RIGHTS**

3.1 Every Owner shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot.

3.2 The Association shall have the following one class of voting membership:

3.2.1 Class A. Class A membership consists of all Owners. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in a Lot, all such persons shall be members. The vote for such Lot shall be exercised as its Owners among themselves determine; but in no event shall more than one vote be cast with respect to a Lot.

#### **Section 4. COVENANT FOR MAINTENANCE ASSESSMENTS**

- 4.1 **Creation of the Lien and personal Obligation of Assessments.** Each Owner, by acceptance of a deed for a Lot, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements. Such assessments to be established and collected as provided in these Covenants and the Bylaws. The annual and special assessments, together with interest costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney fees, shall also be the personal obligation of the person who was Owner on such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.
- 4.2 **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the residents in the Subdivision, and for the improvement of facilities in the Subdivision. In addition, assessments shall be levied to provide for the proportionate burden of the maintenance of the common impoundment basin into which the Subdivision's surface waters drain.
- 4.3 **Maximum Annual Assessments.** The maximum annual assessment shall be One Hundred Dollars (\$100.00) per Lot. Subsequent assessments may be made as follows:
- 4.3.1 From and after January 1 of the year immediately following such first conveyance of a Lot, the maximum annual assessment may be increased each year by the Board of Directors by a percentage not more than 8% above the annual assessment for the previous year, without a vote of the membership.
- 4.3.2 From and after January 1 of the year immediately following such first conveyance of a Lot, the maximum annual assessment may be increased by a percentage in excess of 8%, only by the vote of a majority of each class of members of the Association at a regular or special meeting.
- 4.4 **Special Assessments for Capital Improvements.** In addition to the annual assessments authorized in Section 4.3, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any new construction, or repair or replacement of an existing capital improvement in the Common Area, including fixtures and related personal property; provided that any such assessment shall require the vote of 66 2/3% + 1 of each class of members of the Association at a meeting of the Association; and provided, further, that no such special assessment for any such purpose shall be made if the assessment in any way jeopardizes or affects the Association's ability to improve and maintain the Common Area, or pay its pro rata share of the cost of maintaining the common impoundment basin.
- 4.5 **Notice and Quorum for any Action Authorized Under Subsections 4.3 and 4.4.** Any action authorized under Sections 4.3.2 and 4.4 shall be taken at a meeting of the Association called for that purpose, written notice of which shall be sent to all members not less than 30 days, nor more than 60 days, in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite percentage of members, another special meeting can be called in accordance with the rules for calling a special meeting noted previously in this section. If the 66 2/3% + 1 vote supermajority of each class is not reached, another special meeting can be called where those in attendance will constitute a quorum and a supermajority of 66 2/3% + 1 vote of those in attendance at the meeting may authorize the Association to levy a Special Assessment.
- 4.6 **Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all Lots, and may be collected on a monthly or yearly basis.

- 4.7 Date of Commencement of Annual Assessment's Due Dates. The Board of Directors shall fix the amount of the annual assessment against each Lot at least 30 days in advance of the date the annual assessment is due. Written notice of the annual assessment shall be given to every Owner. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association stating whether an assessment on a Lot has been paid.
- 4.8 Effect of Nonpayment of Assessments/Remedies of the Association.
- 4.8.1 Any assessment not paid within 30 days after its due date shall bear interest from the due date at the rate of 12% per annum, or at the legal rate of interest in Indiana, whichever is higher.
- 4.8.2 The Association may bring an action at law against each Owner personally obligated to pay the same, and foreclose the lien of an assessment against a Lot. No Owner may waive or otherwise escape liability for the assessments made under the Covenants by non-use of the Common Area or abandonment of a Lot. The lien for delinquent assessments may be foreclosed in the same manner as mortgages are foreclosed in Indiana. The Association shall also be entitled to recover the attorney fees, costs, and expenses incurred because of the failure of an Owner to timely pay assessments made under this Section 4.
- 4.9 Subordination of Assessment Lien to First Mortgages Liens. The lien of the assessments made under the Covenants shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien against it. No sale or transfer shall relieve an owner or Lot from liability for any assessment subsequently becoming due, or from the lien of an assessment. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer.

## **Section 5. ARCHITECTURAL CONTROL**

- 5.1 No building, fence, wall, in-ground swimming pool, or other structure shall be commenced, erected, or maintained upon a Lot, nor shall any exterior addition, change, or alteration be made to a structure on a Lot until the plans and specifications showing the structure's nature, kind, shape, height, materials, and location are submitted to and approved by the Committee in writing as to the structure's harmony of external design and location in relation to surrounding structures and topography in the Subdivision. The Committee shall be composed of three members. A majority of the Committee may appoint a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to appoint a successor.
- 5.2 The Committee shall have the exclusive authority and responsibility to review plans for construction of all primary residences in the Subdivision. The Committee may delegate to the Board of Directors (or to such other entity designated in the Articles or Bylaws) the authority and responsibility to review plans for construction of fences and other structures (excluding primary dwellings) in the Subdivision. Such delegation shall be made in writing, signed by a majority of the Committee members, and delivered or mailed to the Association's registered office.
- 5.3 After primary residences are constructed on all Lots in the Subdivision, the Board of Directors or other entity designated under its Articles or Bylaws) shall succeed to the Committee's responsibilities under this Section 5 to review subsequent construction, modifications, and additions of structures in the Subdivision.
- 5.4 In the event the Committee (or Board of Directors or other entity acting under Sections 5.2 or 5.3), fails to approve or disapprove the design and location of a proposed structure within 30 days after said

plans and specifications have been submitted to it, approval will not be required, and approval under this Section 5 will be deemed to have been given.
