

How to Register & Bid for Online Auctions!

1. Go to www.Nessbros.com
2. Scroll Down and click on the Real Estate or Personal Property auction you wish to bid on, if you don't see it click "view all auctions" and find the auction you are looking for and click on the picture.
3. Click on the green button that says, "See Current Bid & Register," this will direct you to our bidnessbros.com page.
4. You will see your auction you clicked on and below the red/pink boxes you will see a black bar with the options "iAuction Details" "Register to Bid" & "View Catalog", you will need to click on "Register to Bid." Now if you are an existing bidder on our website please log in with the username/email and password you created previously and log on then make sure your selected payment is correct and check mark the box that says you acknowledge and accept the terms and conditions and submit registration.
5. If you are a NEW BIDDER, please click on the "New Bidder? Click Here" black tab after you click "Register to Bid" and fill in your email address and retype your email address and "Check Email," our website will then have you fill in your personal information. PLEASE REMEMBER !!!! If your email has your first or last name in it, anyone bidding against you will see your name instead of a computer generated username unless you check the "Hide Username from Public" box, then "Create New Account."
6. Next you will fill in your Credit Card information and will be charged a \$1.00 verification fee in order to validate bidders are at least 18 years of age and not a robot. You will Fill in your credit care information by clicking on the black tab that says "New" next to the Select your Payment Method box. Fill in your information. After you filled selected that payment method, you will click the checkbox mark saying you acknowledge and accept the terms. Then "Submit Registration."
7. Check your inbox for your successful Registration Email. Please read the instructions that the email provides as it states where and how to send in proof of funds on real estate auctions. Once you are approved to bid you will receive your verification email to start bidding online!
8. You can then log on with the username/email & password you created and you can BID or Watch a bid!
9. When you place a bid, you press the "Bid ..." It will tell you what the minimum bid will be for example, the bid is 138,000, the minimum bid will be 139,000. If you put 200,000 in your max bid our website will bid automatically bid up as others bid against you up until 200,000 dollars, or whatever your max bid is. Upon placing a bid you will receive updated emails throughout the process, including if you've been outbid, so make sure you check your email!
