

PLATTENING REGULATION
11/18/2018 2018

Disclaimer:
 The map was prepared for purposes of providing information. A land survey plat and the data on the map do not constitute an official office record or binding map made from the use of a survey. All distances are approximate and subject to the jurisdiction of the platting authority. The map is not intended to be used as a legal document and should not be used to establish boundaries or other legal rights without the written permission of the appropriate authority.
